

## DATA SHEET SM-86

### **SM-86**

#### **Description:**

##### **Usefull and innovative!**

Did you ever connect a normal mouse to a notebook? Weren't you annoyed by the long wire? Our SM-86 is the ideal mouse for your notebook. Because of its small size and the cable-drum it is fitting in every notebook bag. The wire has always the ideal size, so there is no superfluous cable lying around

#### **Technical data:**

- Optical sensor with 520 dpi
- USB connector
- Scrollwheel can be used as 3rd mousebutton
- Can be used by right and left handed persons
- Cable drum
